STAIN

The beauty of wood is showcased with our carefully selected palette of stains. Our staining process enhances the various wood species that we offer, resulting in a beautifully finished piece of furniture for your home. When you add a glaze or highlight to one of our stains, you add an extra layer of depth and a change to the color tone, for even more possibilities. From traditional colors to modern interpretations, you are sure to find the right finish.

GLAZE AND HIGHLIGHT OPTIONS ON STAIN

By choosing a glaze or highlight, you add even more character to the finish. With several options of glaze or a subtle highlight, our hand-wiped process adds a layer of color that changes the underlying stain for a deeper, richer appearance. As this is a hand-applied technique, variation in the amount and location of glaze material will vary from piece to piece and within the same piece. Variation adds to the character and should be expected.

SPECIALTY FINISHES

OLDE WORLD

Olde World is a painted finish, hand-distressed to simulate an aged and heavily worn appearance. The Olde World finish features a random combination of some, or all of, the following finish techniques: Worm holes, crackle, edge and panel gouging, rock dents, wearing, brushed highlight and more. Olde World is available on a select number of standard paint colors and on most wood species.

FINISHES

OLDE WORLD FINISH TECHNIQUES

AGED

The Aged Technique is a predetermined selection of numerous finish techniques to create a worn and aged appearance. The techniques possible are: worm holing, edge and panel gouging, wearing, and rock dents. The level of "Aging" is very random and inconsistent from piece to piece. The Aged Technique can be applied to all wood species (excludes Select Poplar) on any stain or paint color.

KITCHEN CABINET COMPANIES AREN'T ALL THE SAME. MAKE SURE YOU PICK ONE THAT HAS A POSITIVE IMPACT ON THE ENVIRONMENT.

A recent study by Hanley-Wood found that environmental sustainability is one of the top reasons cited when selecting cabinets

RESPONSIBLE PROCESS RESOURCE MANAGEMENT:

Cabinet manufacturers are checked to ensure they are dealing with wastes in responsible, sustainable ways and that they have a comprehensive recycling program in place.

ENVIRONMENTAL STEWARDSHIP:

Cabinet manufacturers are checked to ensure they have a written policy stating their commitment to environmental quality and that they attempt to ensure their vendors also engage in environmentally sustainable practices.

COMMUNITY ENGAGEMENT:

Cabinet manufacturers are examined to ensure they demonstrate community involvement and observe all federal, state and local environmental regulations.

To earn the KCMA Environmental Stewardship Program Certification Seal, companies need to score 80 out of a possible 110 points in these categories:

SUSTAINABLE PRODUCT RESOURCE MANAGEMENT:

Cabinet manufacturers are investigated to ensure they are purchasing materials from reputable companies with sustainable forestry programs.

AIR QUALITY:

Cabinets are inspected to ensure they meet safe emission standards for formaldehyde and other hazardous air pollutant levels.

SHILOH CONSTRUCTION

Shiloh Cabinetry's construction is an example of the commitment to long-term durability. Our cabinets feature quality components and construction methods throughout. We even operate our own testing lab to check the integrity of the finished products used to build our cabinets. Compare our cabinet construction against the competition and you will see why Shiloh stands out against the rest.

1. Solid wood hanging rail for secure fastening to the wall
2. Solid wood corner blocks in base cabinets add strength and stability
3. 5/8" hardwood dovetail drawer standard (3/4" hardwood dovetail available)
4. Guides are Blum TANDEM edge 7/8" extension with integrated BLUMOTION soft closing mechanism (optional Blum TANDEM full extension guides with integrated BLUMOTION soft closing mechanism)
5. Solid wood door (except painted and Metropolitan, which uses partial or full MDF construction)
6. Durable and easy to clean material
7. 3/4" plywood adjustable shelving with solid metal shelf clips
8. 1 1/2" wide solid wood frames
9. 3/8" plywood bottom and top (on wall cabinets)
10. Catalyzed conversion varnish topcoat that is smooth, very durable, and resistant to most household chemicals
11. 1/2" plywood sides with 1/4" wood veneer (stained) or 1/4" MDF (painted) applied on finished ends
12. Blum 6-way adjustable, soft-close, concealed hinges in standard or full overlay and flush or beaded inset (3/8" partial inset uses knife hinge that does not soft-close)

FULL-ACCESS CABINETS

Eclipse Cabinets utilizes ultra-efficient frameless construction, resulting in full-accessibility to the cabinet interior. Inspired by the innovation of European cabinets, our cabinets easily adapts to a wider range of styles. Whether you like sleek and modern or traditional cabinet design, Eclipse Cabinets can produce the look you desire.

With our full-access construction, you gain up to 10% wider drawers and openings than a traditional face-framed cabinet. Storing and accessing all of your things is efficient and simple.

Eclipse offers an extensive collection of wood types as well as specialty materials like laminates, acrylics and specialty veneers. Our color selection features stains and paints with glazes and distressing features as well as high gloss and matte finishes in our specialty materials. This all adds up to over 600 possible color combinations, so your perfect color is waiting. With so many choices, it may be a challenge deciding on just one, so don't be afraid to mix it up with several colors.

Browse this catalog for ideas, but remember, this is just a sampling of what we can do. We offer customization of cabinets and custom paint colors, proving that your imagination is the only limit. Consult with an Eclipse Cabinets retailer for more possibilities.

GLOSS FINISHES

Gloss Acrylic

Gloss Acrylic features a deep, high-gloss surface for an ultra-sleek appearance. Featuring a color-matched PMMA (acrylic) top layer that enhances color vibrancy, we use a matching zero joint edge-banding technology for a near seamless finish. Also available are a 3D edge, Satin Aluminum-look edge, or Brushed Aluminum-look edge. Cubanite, Gabbiano, and Bigio have a subtle, metallic flake look which reflects light and gives a shimmer to the surface. Available on Metropolitan door style only.

HPL

Gloss High Pressure Laminates (HPL) have a durable, high-gloss finish for today's contemporary styling. Our Gloss HPL colors feature zero-joint edge-banding technology for the ultimate in sleek appearance. HPL products are available in Metropolitan door style only.

Metropolitan • Bigio • Gloss Acrylic

MATTE FINISHES

Matte Acrylic

The Matte Acrylic surface features a color-matched PMMA (acrylic) top layer with a velvety, low-luster finish. This product is fabricated using zero-joint edge-banding technology for a seamless edge. Available with either Matching edge, Satin Aluminum-look edge or Brushed Aluminum-look edge. The Matte Acrylic product is perfect for mixing with gloss or textured finishes, creating the perfect balance in any space. Available on Metropolitan door style only.

Matte HPL

Matte RAUVISIO noir is a monotonic matte finish. RAUVISIO noir has the ability to retain all of its elemental properties while delivering unwavering resilience, reliability and richly uninhibited elegance, giving you the quality you deserve with the versatility you desire. The deeply light-absorbent surface is crafted to be anti-microbial, ultra-low in VOCs and phenol-free. It withstands scratches and fingerprints while providing the deepest, touchable matte.

ECLIPSE CONSTRUCTION

Eclipse Cabinetry is built with a unique, full-access construction inspired by European cabinetry. With this construction method, you get an efficient cabinet that maximizes the useful storage space. Our full-access construction gives you up to 10% wider door and drawer openings over a framed cabinet. More importantly, we utilize 3/4" thick material in our cabinet box construction, resulting in a more rigid cabinet than many of our competitors.

1. 3/4" thick top, bottom, and side panels*
2. 3/4" thick adjustable shelving*
3. 3/4" thick hanging rail*
4. PVC edge banding, color coordinated**
5. Durable, easy-to-clean interior in a natural, white, or linen-look laminate depending on product selected. (See retailer for more information)
6. Hinges are Blum CLIP top BLUMOTION soft-closing with easy adjustment
7. 3/4" x 4" wide stretchers for added stability & strength
8. Standard guides are Blum TANDEM edge 7/8 extension with integrated BLUMOTION soft-closing mechanism (optional Blum TANDEM full extension guides with integrated BLUMOTION soft-closing mechanism)
9. Multiple drawer box options (see below)
10. Choose from thousands of door style, material and finish combinations.

Drawers

Eclipse offers multiple drawer boxes so you can pick the one that fits your style - from traditional to contemporary. The standard drawer boxes available are the 5/8" Dovetail Drawer box or 5/8" Simulated Metal Drawer. The 3/4" Dovetail Drawer and Blum LEGRABOX Stainless Steel Drawer Box are premium options.

GLAZES ON STAIN

Aspect Cabinetry is available with three glaze colors on most finishes in Oak, American Poplar and Maple. All of the glazes are available on any of Aspect’s door styles. Glaze will be left in profiles of doors, drawer fronts, and some mouldings where glaze hang-up is possible. Glaze will appear differently or not at all, depending on the style and edge profiles. Please see an actual sample before making your final selection.

PAINT FINISHES

PAINT COLORS

Painted cabinetry is timeless. With Aspect Cabinetry you will have a look that will lasts for years to come. Choose from our collection of paint colors, with or without a glaze or highlight. Painted finishes are available only on maple* wood species.

GLAZES ON PAINT

Mix and match one of our three glaze colors with the paint color of your choice for just the right look. Glaze will be left in profiles of doors, drawer fronts and mouldings where glaze hang-up is possible. Glaze will appear differently or not at all, depending on the style and edge profiles chosen. Please see an actual sample before making your final selection. Black Magic paint color is not available with glazes.

HIGHLIGHT

Our Latte Highlight is a more subtle glazing technique for just the right amount of antiquing to our selection of paint colors. Highlight material will be left in profiles of doors, drawer fronts, and mouldings where glaze hang-up is possible. The Latte Highlight will appear differently or not at all, depending on the style and edge profiles chosen. Please see an actual sample before making your final selection.
